

Mojipass(R) Sponsoring Brand Playbook

Targeted Customer Acquisition & Product Sampling at Scale

1. Program Overview

Distribute full-size rewards and trial products directly to high-intent shoppers at checkout.

Capture new customers at the precise moment of purchase on verified partner merchant stores.

Zero waste: Offers are only presented to shoppers whose purchase history matches your demographic.

2. Setting Up Your Sponsoring Campaign

1. Access the Mojipass Brand Portal at <https://brand.mojipass.com>.

2. Define your target CPA (Cost Per Acquisition) and set your promotional inventory budget.

3. Select qualifying product categories and upload high-resolution product creative.

4. Set geographic rules and minimum cart values for offer eligibility.

3. Closed-Loop Performance Analytics

Monitor real-time customer acquisition metrics, redemption rates, and downstream lifetime value (LTV).

All transactions are settled securely with automated escrow and invoice reconciliation.
