

Mojipass(R) Shopper Rewards & Loyalty Guide

How Free Sponsored Rewards & Gifts Work at Checkout

1. The Shopper Reward Experience

When you shop at participating merchants in the Mojipass network, you unlock free sponsored rewards. These are not sample sachets: You receive genuine full-sized products sponsored by partner brands. There are no hidden subscriptions, trial traps, or unexpected recurring credit card charges.

2. Redeeming Your Free Gift

1. Complete your purchase as normal on any Mojipass-enabled online store.
2. Choose your preferred sponsored gift on the order confirmation screen.
3. Your free reward is shipped directly with tracking information sent to your email.

3. Consumer Privacy & Data Guarantee

We never sell your personal information or spam your inbox with third-party advertising. Your information is only used to fulfill the specific reward you have selected. For inquiries, contact support@mojipass.com or visit <https://www.mojipass.com/privacy>.
